

China Business Laws and Regulations

Description

A must-have legal handbook designed for people who are doing business or interested to do business with or within China. The latest and essential laws and regulations related to foreign entities doing business in China or with Chinese entities were carefully selected. It is also an indispensable reference for anyone studying China and its legal systems. All the laws and regulations are in both English and Chinese languages. The Chinese versions of the laws and regulations are the original official documents and the English version of the laws and regulations are based on the official translations with careful reviews of experts.
